

## General Title Information...

### What is Title?

Title is the combination of all elements that constitute the legal right to own, possess, use, control, enjoy, and dispose of real estate. It is a right of ownership recognized and protected by law.

### What is Title Insurance?

Title Insurance is indemnity against loss resulting from defects in or undisclosed liens upon a title.

### What is a Title Examination?

The examination of title includes the determination of the legal sufficiency of deeds, mortgages, court actions, wills, divorces and mortgage foreclosures; and the effect of tax liens, easements, restrictions, reservations, judgments and all other instruments of record affecting the title. The title to real property is examined to determine whether the title is marketable.
